## 60-Day Test Rest

**Choosing a New Mattress Set Can Seem a Little Daunting...**

**Comfort is the #1 reason we purchase a mattress, yet comfort is not warranted by mattress manufacturers, only structural defects.**

**This is why we offer a 60-Day Test Rest.**

Vermont Bedroom's sales staff is dedicated to providing our customers with the knowledge & education necessary for picking the right mattress set to meet your needs. However, in the rare case that your choice of bedding proves to be incorrect, Vermont Bedrooms provides a 60-Day Test Rest, an after-the-sale service that actually allows you to exchange your original standard size set for a more suitable one.

Your body is accustomed to the feel and support (or lack of!) that your old mattress has provided. Your new mattress now provides a totally different comfort and support that your body must adjust to. No one can adjust to a new mattress set in one night, with most taking longer than a week or more.

**YOU MUST GIVE YOUR BODY ADEQUATE TIME TO ADJUST TO YOUR NEW MATTRESS**

**in order to achieve the maximum comfort it can provide.**

**1 OR 2 NIGHTS IS JUST NOT ENOUGH, IT'S THAT SIMPLE!!**

**YOU SHOULD NOT EXPECT TO FEEL THE MAXIMUM COMFORT YOUR NEW BED CAN PROVIDE FOR AT LEAST 3-4 WEEKS!!**

**For this reason,**

**You must sleep on your new mattress for a minimum of 30 days before you can qualify for a test rest.**

---

### **How the 60-Day Test Rest Works:**

-If, after the minimum 30 day initial period, you feel you've made a wrong choice, please call Vermont Bedrooms & ask for your original sales person. They will be happy to explain your options and, if necessary, arrange a time for you to visit with them in the store.

**-You are given a merchandise credit, less a 30% re-stocking fee,** of the purchase price of your original set towards any new set of your choice. If you choose a set of lesser value, the difference is converted to a merchandise credit. **There are NO cash refunds or credit card credits.**

-We schedule a 60-day test rest Exchange Delivery. **Test rest change deliveries are subject to a \$100.00 shipping & processing charge.** This is service charge is separate from your 60-day test rest merchandise credit & is mandatory for processing. It needs to be paid BEFORE the exchange is scheduled.

**-Your Mattress MUST be clean & stain-free!** For this reason, **we require the purchase and use of a mattress protector at the time purchase of any mattress that you might test rest. YOU CANNOT 60-day test rest or return a mattress that has been soiled or stained in ANY way! This will not only VOID your 60-Day Test Rest, but your warranty as well!**

**-DO NOT remove any of the law tags! If you have removed them, this will not only VOID your 60-Day Test Rest, but your warranty as well!**

**-We Also CANNOT Test Rest floor models, clearance specials, special size, special order or non-stocked size mattress sets.**

**Thank You! Enjoy your new mattress!**
